

## **Announcement of 2014 Chinese-Speaking Students' Perfecting Training**

Dear brothers,

April 4 , 2014

We praise the Lord for His blessing on the labor among the Chinese-speaking students in the past eleven years. With the cooperation of the local churches, nearly ten thousand students have been saved and baptized in North America during this period of time and have come into the church life in various degrees. According to Brother Lee's fellowship and leading in *Elders' Training*, Book 4, Chapter 10, we have been holding an annual one-week perfecting training to perfect these newly-saved ones in the aspects of truth, life, vision, and service.

In order to carry out this burden to produce these students as useful members of the Body we feel that our perfecting of them should go a step further, especially for those students who were small group leaders in the past perfecting trainings, those who are currently active on the campuses and those who have demonstrated a strong desire to pursue the Lord and serve Him. Therefore, as we practiced last year, we will:

1. Encourage these students to attend the summer training in Anaheim.
2. Gather together any of these students who are able to remain in Southern California after the summer training from July 6 to 10 for a time of prayer and fellowship in preparation for the perfecting training. (However, only with the recommendation from their local elders.) This will allow some of the co-workers from North America, Hong Kong and Taiwan to spend time with them in order to further perfect them.

The annual Chinese-speaking students' perfecting training will be held in Franklin Park, NJ from July 18 to 24. As in the past, there will be weekend extensions to the perfecting training in other areas in North America according to the request of the local churches. This training should not in any way replace or supersede the summer training in Anaheim or any regular regional Chinese-speaking conferences.

We hope you will pray concerning this burden and encourage the local Chinese-speaking students and their serving ones to register for this training. If the elders feel that anyone in their locality is not suitable for participation in this training due to either their spiritual or physical condition, please let us know, as this would help us in our review of the applications. Thank you.

The blending co-workers in the Lord's recovery
